**TAX DEDUCTIBLE DIRECT DONATION – General PTA Fund
(option of making donations directly to the PTA for programs we support)**

GENERAL DONATIONS: For those who are unable or do not wish to participate in PTA fundraisers, a family donation is a great alternative. By doing this, your dollars can go directly to the Bailey PTA to help ensure that we can continue to provide services to our students, teachers and classrooms. Every dollar collected is greatly appreciated and goes directly to the budgeted programs that support our students and classrooms.

For tax purposes, our Tax ID is 41-1710568.

Recommended donation (based on the average raised per student who participated in one of last year's Fall or Spring Fundraiser): \$50/child

Even if you participate in the fundraisers, you can still contribute to the general donations of the Bailey PTA, if you so choose, any time of the year.
